25X1 4. [ ] Picked up from the Joint Committee on Atomic Energy two copies of the transcript of the Director's briefing of 23 August. A copy has been sent to DD/S&T for security review. It will then be forwarded to OSI for further review and correction.

25X1 6. [ ] Finalized arrangements for the visit of Senators Edward Kennedy and Joseph Tydings and Representatives John Tunney and John Culver to the Agency at 3:30 P.M. tomorrow for a briefing in anticipation of this group's plans to visit Southeast Asia in early October.

25X1 7. [ ] David Martin, in the office of Senator Thomas J. Dodd, called with regard to the reports that Fidel Castro had offered to let anyone who wished to leave Cuba go. After checking with OCI, I left a message with Martin clarifying this and sent to him by courier an FBIS item containing Castro's speech on this subject.
